Completing this certificate allows you to claim exemption from State income tax withholding on your military compensation if you satisfy the following tests:

- 1. You claim as your State of legal residency/domicile a federally recognized tribal reservation or Indian Country.
- 2. You are an enrolled member of that federally recognized Native American tribe.

If you satisfy these conditions, the Soldiers' and Sailors' Civil Relief Act provides that your tax home remains on the reservation/in Indian country. Consequently, you may stop State income tax withholding on your military compensation.

If you have any doubt with regard to your State of legal residence/domicile, you are advised to see your Legal Assistance Officer (JAG representative) for advice prior to completing this form.

Effective date of exemption election. Withholding of State income tax will stop the month after the month in which you file this certificate. DFAS cannot make retroactive adjustments.
