(c) OPNAVNOTE 5400 of 13 Sep 2002

1. Purpose. To approve relocation of Submarine Development Squadron FIVE and approve establishment of Submarine Development Squadron FIVE Detachment San Diego under the administrative chain of command of the Chief of Naval Operations per reference (a).
2. Background. COMSUBDEVRON FIVE will assume responsibilities for support of Undersea Warfare Research, Development, Testing and Evaluation (RDT&E) for NSW, UUVS and Mine Reconnaissance, and, coupled with the planned arrival of USS JIMMY CARTER in FY05, significant mission requirements will exist in Bangor, WA that will require the physical presence of a squadron commander and his staff in Bangor, WA. Since current support requirements will remain for submarine salvage, escape and rescue, NSW Development and other San Diego based functions, a continued requirement for Commander, Submarine Development Squadron FIVE staff presence in San Diego, CA will exist. The establishment of SUBDEVRON FIVE Detachment San Diego will meet that requirement.
3. Organizational Change. Change Permanent Duty Station of COMSUBDEVRON FIVE and establish SUBDEVRON FIVE Det San Diego effective 1 October 2003. The following applies:
