MEMORANDUM OF UNDERSTANDING

The following items are NOT AUTHORIZED as personal property for shipment at government expense by government move or Do It Yourself (DITY) move.

HOUSEHOLD GOODS can be defined as personal property associated with the home and all personal effects belonging to you and your family members. This term DOES NOT include:

1. Automobiles, camper trailers, airplanes and similar motor vehicles.
2. Live animals, including birds, fish and reptiles.
3. Articles of Household Goods acquired after the effective date of your orders.
4. Building materials.
5. Property for resale, disposal or commercial use, dangerous materials such as scuba tanks when loaded with compressed air,
6. Live ammunition, loaded firearms, ammunition of any type, photo flash bulbs, aerosol cans, flammables and acids, fire extinguishers, hazardous-combustion-explosives items..
7. Gold and silver bullion, cash, tax free cigarettes, large outdoor playhouses or doll houses which have not been disassembled.
8. Cannot schedule move dates on date you plan to clear quarters.

I understand that TMO and Disbursing routinely screens Do-It-Yourself move claims for ATTEMPTED FRAUD. Any indication of an attempt to defraud the Government will be submitted to the Naval Criminal Investigative Service for investigation.
